Girls U12's incrediball

- U12 age group and below (Year 5/6/7)
- 2/3 games on a day
- DCF to organise Fixtures/ Results on Play Cricket
- 16 over matches
- 8-a-side pairs format
- Incredi-ball
- Flexibility around fixtures and player registration
- Clubs required to have a key adult contact for match days.
- Day of the week to be confirmed by clubs involved

Clubs are free to team up with one other local club if they wish, in order to get a full team out. We can help facilitate this process if needs be. Please let us know.

Clubs must register the team under one of the two club names.

We will look to create the fixtures so there are 3 or 4 teams at a venue on a given day to play 2 games each

For all those clubs who are interested, Charlie will set up a call to discuss the offer and to make sure the format suggested is correct for the teams getting involved.
