Disability Champion Clubs

What is a Disability Champion Club?

Why will running this increase and diversify your volunteer base?

- Parents and carers are often required to support their child more within a session and are therefore more likely to help run the sessions alongside club coaches.
- If their child enjoys the sessions, parents and carers are much more likely to help out at the club because children with more severe disabilities are more likely to have fewer hobbies, clubs and sports they can take part in and enjoy. Parents and carers will likely be keen to ensure the club and the sessions can be successful and continue.
- This has been evident for our 6 champion clubs this year
 - Darley Dale, Melbourne, Swanwick, Hundall, Belper Meadows
