# WHY CHOOSE A FALCONS COURSE?

At the Derbyshire Cricket Foundation we are committed to helping as many people as possible enjoy playing cricket. Whether you just want some fun or you're striving to be the next England captain, we're here to help you become the best player you can be.

This year we will be running a range of courses to suit all participants.

Our summer falcons and girls only courses are for all age ranges and will:

- > Work on the same fundamentals used by the Derbyshire County Squads and England Players
- > Age Appropriate and innovative activities
- > Fun games and match scenarios

Our Advanced Falcons Course is a hardball course for experienced hardball players. On the course you will take part in:

- > Hardball scenarios and net sessions
- > Batting, bowling and fielding skill sets
