INTRODUCTION

Richard Wood – Managing Director

At the Derbyshire Cricket Foundation (DCF), our purpose is to **empower communities and improve lives through cricket**. I am proud to share our 2025 Impact Report, which demonstrates the significant progress we have made towards our ambition of making cricket a game for everyone across Derbyshire.

Over the past year, we have delivered activity at unprecedented scale — engaging thousands of participants of all ages, across schools, clubs and communities, with record levels of participation in our children and young people’s programmes, continued growth in the **women’s and girls’** game, and expanded opportunities in **urban areas** and **under-represented communities**. Crucially, this growth has been accompanied by increased female participation, strong ethnic diversity, and targeted support for those facing financial, social or physical barriers to accessing cricket.

Our work continues to **improve health and wellbeing**, providing fun, welcoming environments that support physical activity, mental health and wellbeing. We are also **connecting communities** — helping to reduce loneliness by creating new social networks, friendships and support systems through cricket. Alongside this, we remain committed to **personal development**, equipping people with transferable skills, confidence and aspirations that extend well beyond the game, while providing clear development pathways for those with talent and ambition to reach their full potential.

None of this impact would be possible without the dedication of our workforce, volunteers, clubs and partners. **Investment in facilities, safeguarding, coach education and inclusive environments** has strengthened the foundations of the game and ensured cricket in Derbyshire is safer, more welcoming and more sustainable than ever before.

I am extremely proud of the progress we have made during 2025. As we embark on the delivery of our new strategy during 2026, the DCF team remains committed to working collaboratively with partners and stakeholders across the county to increase our impact, **widen our reach**, and continue our journey towards ensuring that **cricket truly is a game for everyone**.

WHO ARE WE?

The Derbyshire Cricket Foundation is a dedicated charity that uses the power of cricket to engage and inspire people in Derbyshire to have a lasting connection with the game.

Our Purpose is to...

“Empower Communities and Improve Lives through Cricket.”

Our Vision is to...

“Provide every person in Derbyshire with the opportunity to have a positive experience through cricket.”

Our Mission is to...

“Inspire a generation to say that ‘Cricket is a Game for me’.”

TRANSFORM THE WOMEN'S & GIRLS' GAME

In 2025, we reinforced our position as a national leader in the development of the women's game. Building on the momentum of 2024, the county saw continued expansion in club participation, with **over 60 clubs now running women's teams and a 30% increase in clubs with girls' sections**

"The festivals we have been to have been very well organised, great team spirit and excellent support from all clubs. Seeing other teams help new players on the opposition, lots of praise and respect for each other"

"The club has been very encouraging as I have never played cricket before and have started at the age of 23. I have thoroughly enjoyed it and have grown as a player. The club does not focus on the result but the fact that women are involved in the sport"

WOMEN'S LEAGUE CRICKET HITS NEW HIGH!

The East Midlands Women's Cricket League (EMWCL) continues to be a vital driver of growth and sustainability for Women's cricket across the region.

79 Participants received financial assistance - totalling nearly £10,000

111 Girls participated in total with 2 girls camps at Denby and Ockbrook & Borrowash

Our falcons camps have continued to grow and played a crucial part in providing a year round coaching offer for young people. Across the year we have engaged 738 participants through our falcons programme.

"Amazing - always helpful and offer encouragement. Always give skills to do at home."

"Coaches were fantastic"

"Couldn't stop talking about how good it was, the goodie bag was an unexpected plus as well that made it seem extra special - he wants to sign up for next year already"

"The coaches running the course were amazing and my daughter loved it and can't wait to do another!"

CRICKET IN THE PLAYGROUND....

In partnership with Chance to Shine, we continue to grow the amount of cricket we provide in state primary schools, encouraging thousands of children to play, learn, and develop through cricket!

In 2025, through our Chance to Shine Schools programme, we delivered:

3150 Hours of coaching **13,000+** Children inspired

138 Primary Schools Engaged - 11% Increase

2 Formal teacher CPD workshops

80% of students would consider playing cricket again

Through our place-based planning model, we have successfully supported transition from our schools programmes into National Programmes, Street Cricket Clubs and other playing opportunities within the county.

We also supported 30 School National Programme Centres with curriculum delivery providing 424 bursary places!

11 All Stars Cricket programmes in schools

18 Dynamos Cricket programmes in schools

"I thought cricket was boring until we did it. I really want to play at break times now."

"The coach has encouraged me to now play for my local cricket club!"

"The children have all been inspired and were disappointed to know it was over!"

GROW AND NURTURE CLUBS AND LEAGUES

Ockbrook & Borrowash CC received a County Grant of £10,000 to support their changing room project, aimed at creating a more female appropriate changing space for their growing Women's & Girls' Teams to use.

"The recent upgrades to the changing rooms have had a significant and positive impact on the women's team. Having access to appropriate amenities has helped the players feel valued, respected, and fully integrated as an essential part of the club community."

The Grass Pitch Improvement Fund (GPIF) has made a huge impact in Derbyshire.

GPIF has played a role in improving grass squares, bringing old cricket grounds back into use and supporting pitches needing improvement with vital funding for new maintenance equipment such as Rollers and Mowers.

DEVELOPING THE NEXT GENERATION OF VOLUNTEERS...

Our young volunteers programme continued to grow during 2025, providing young people with the opportunity to develop their skills and enhance their volunteering opportunities.

Our youth council engaged 14 young people during 2025 and is playing a key role in providing young people with a voice. The input is helping to shape the future of cricket for young people.

Junior Network Launches

The DCF Junior Network launched in 2025 creating a network of young people to provide a platform for young voices to be heard and create volunteers of the future. **51** young people took part in its first year across the following workshops:

SOUTH ASIAN WOMEN'S CRICKET & FITNESS PROGRAMME

18 Sessions

20 Participants

A key milestone this year was the group's participation in the ECB Manchester Tapeball Tournament at Emirates Old Trafford, where 11 women represented Derbyshire.

For many, it was their first competitive cricket experience and first time travelling outside Derby for sport. The event strengthened friendships, built confidence and fostered a strong sense of belonging, highlighting a clear appetite for cricket in this community.

“Representing Derby on a national stage made me feel proud of my heritage and inspired me to show younger girls in our communities that there is a place for them in the sport.”

“The fast-paced format boosted my confidence, helped me develop new skills, and allowed me to connect with other south asian women who have the same passion for cricket”

IMPROVING OPPORTUNITY AND ACCESS IN URBAN AREAS...

DRIVE TO MOVE - URBAN HUB FOR TAXI DRIVERS

Drive to Move focuses on taxi drivers and others working long, unsociable hours within the South Asian community. The programme provides a weekly hour of cricket that allows participants to stay fit, relieve stress and build social connections

MEN'S TAPEBALL

A group of 10 players competed in the ECB Tapeball Tournament at Old Trafford, which offered a

valuable competitive outlet and provided participants with the chance to showcase their skills on a major platform.

The experience strengthened their connection to the Derbyshire Cricket Foundation and boosted their interest in pursuing more competitive cricket opportunities.

FUTURE FALCONS - STREET INTROS

Future Falcons launched this year as an introductory tapeball offer for children aged 5–8, designed to bridge the gap between entry-level cricket and our youth and young adult sessions. Delivered across multiple inner-city venues, the programme provided a fun, safe and engaging environment using a taped tennis ball rather than a soft windball, giving participants an authentic tapeball experience while still being accessible for beginners.

GIRLS DYNAMOS AT SHERWIN CLUB

Girls Dynamos continued to be a key vehicle for engaging young girls from ethnically diverse communities.

Across the summer, we saw increasingly strong attendance and a noticeable rise in confidence, enthusiasm and leadership. The girls really came out of their shells, developing not only their cricket skills but also their personalities and social confidence. The offer plays an important role in widening the pathway for girls who may otherwise have limited access to structured cricket.
